

2nd European STAMP Workshop (ESW2014)

**22nd – 23rd September 2014
University of Stuttgart, Germany**

Important Dates:

22 April 2014: Extended Abstract Submission (up to 3 pages)

20 May 2014: Notification of Acceptance

Workshop Topics:

- ❖ **Experiences using STPA and CAST**
- ❖ **Safety-guided design using STPA**
- ❖ **Accident analyses**
- ❖ **Certification and regulatory issues**
- ❖ **Evaluations and comparisons with traditional techniques**
- ❖ **Risk management and identifying leading indicators**
- ❖ **Applications to security**
- ❖ **Safety management systems**
- ❖ **Implications of STAMP and STPA for integrated modular avionics interoperability, cyber warfare**
- ❖ **Tools, processes, and other support for analysis and design using STPA and CAST**
- ❖ **Management and adoption experiences or challenges**

Workshop Chairs:

Prof. Dr. Stefan Wagner (University of Stuttgart)

Prof. Dr. Eckehard Schnieder (TU Braunschweig)

in cooperation with Prof. Dr. Nancy Leveson (MIT)
